CH34006

HUSHTONE™ 6Q BACKPACK

HUSHTONE™ 2 Speed Motor

Hush™ Mode for less disruption when you want it; Boost mode for higher performance when you need it.”

Ergonomic Harness

Chiropractic designed ergonomic harness increases range of motion for extended hours of use.

Hexaguard™ Technology

Improve indoor air quality and freshness with HEPA Media filtration and Hexaguard™ Technology.

Additional Features

- **Self-Sealing Bag**
Promotes healthier disposal of full bags, trapping dust and debris from escaping back into the air.
- **Tool-Free Assembly**
Quick and easy tool free assembly out of the box, to get up and running faster.
- **HEPA Filtration with Hexaguard™ Technology**
HEPA Media Filter traps 99.97% of dirt, dust and pollen down to 0.3 microns, improving indoor air quality and reducing dust returning into the air. Hexaguard™ Technology with activated carbon absorbs odor producing molecules improving air freshness.
- **Lightweight Design**
The lightweight design and ergonomic harness enables easy maneuverability.
