

- Rapid Cleaning Action
- Multi-Use Formula
- Pleasant Herbal Scent

General Purpose Floor Cleaner

Renown General Purpose Floor Cleaner is a concentrated, low-foam, neutral pH cleaner. It is ideal as a general purpose cleaner. It is safe for all washable surfaces, it deep cleans without affecting the finish gloss and can be used in autoscrubbers or as a mop and bucket cleaner. Free rinsing.

1 Gal. Part #: 320583
USN #: 326445104

General Purpose Floor Cleaner

Safe to Use:

General Purpose Floor Cleaner is nonflammable and contains no solvents or harsh alkalis.

Rapid Cleaning Action:

General Purpose Floor Cleaner keeps pace with the speed of automatic scrubbers due to its fast cleaning action and streak-free results.

Highly Effective:

General Purpose Floor Cleaner is a great heavy-duty cleaner for general use on any washable surface. Its exclusive fragrance leaves work areas with a fresh and pleasant scent.

Use Information

Use as a daily cleaner on all floor types and other hard surfaces.

Directions for Use

Always dust mop floor first. Remove gum, labels and other attached soil deposits with a putty knife or long handled scraper. **AUTOSCRUB CLEANING:** Dilute at 2 ounces per gallon (1:64 ratio) of cool water. **CLEAN:** Scrub with red pad. Apply General Purpose Floor Cleaner, scrub and pick up in one operation. Rinsing not required. Pick Up Trails: Use clean water and mop/bucket to pick up any trails left from autoscrubber. **DAMP MOPPING: DILUTE** at 3 ounces per gallon (1:42 ratio) using cool water in a bucket or flat mop system. **CLEAN:** Use a clean mop or pad. Change the cleaning solution frequently. Rinsing not required. **GENERAL CLEANING:** Dilute at 3 ounces to a gallon (1:42 ratio) in a spray bottle, pail or bucket. **APPLY:** Spray or apply with a sponge, cloth or brush. **REMOVE EXCESS SOLUTION AND ALLOW TO AIR DRY.**

KEEP OUT OF REACH OF CHILDREN

Intended for Commercial and Institutional Applications

IMPORTANT: Use only as directed. Do not mix with anything unless recommended since harmful conditions and poor performance could result. Do not pour unused product back into original container. All floors are slippery when wet. To prevent falls, exercise care when working and block off traffic with "Caution" signs until floor is completely dry.
