

Model ZE00803
SKU# 402454

Non-Submersible

Transfer Pumps

- Patented design, flexible impeller, water transfer utility pump
- Angled inlet and outlet design keeps water lubricating the impeller and significantly increases impeller life
- Clear see-through suction hose allows easy monitoring of pump priming to avoid run dry
- Patented impeller material composition
- Brass pump body with nickel plated surface finish, stainless steel motor shaft and pump cover, corrosion free
- Self-priming up to 9 feet (initially wetted impeller)
- Removes water down to 1/8" with suction strainer
- 3/4" garden hose thread connection for easy installation
- Kit includes: 6 feet suction hose, suction strainer, replacement impellers and brushes
