# **ClickFIT™** Access Panels

**Installs in minutes:  
Cut, Click, Conceal**

Fluidmaster's easy to use panels provide quick access to in-wall plumbing and electrical. The panels are available in two sizes and are simple to install. There is no framing required as Fluidmaster's access panels use Click Fit™ clips to hold in place.

### **Special Features:**

- Conceals and allows access to plumbing, wiring and cables.
- Pops in and out of position, no visible clamps or screws.
- For walls and ceilings up to 3/4" thick - can be painted or wall-papered.
- Great for spa pumps, security systems, computer / audio / TV cables, and more.

**MADE IN USA**

Installs in minutes to cover up plumbing, electrical wiring and audio / visual cables!
